

# Clean Ride Rebate

## Residential and Commercial Customer(s) Application

We want to make it easy and affordable to go fossil-free. **EWEB's \$300 Clean Ride Rebate** will pay for clean, electric fuel for a year for most drivers, or help offset the cost of a home charging station.

### ELIGIBILITY REQUIREMENTS

- Vehicle must be registered to a current EWEB customer, at a property with active EWEB electric service.
- Vehicle must be a four-wheel Battery Electric Vehicle or a Plug-in Hybrid, both with a minimum 16 kilowatt hour battery.
- New, first time purchase/lease vehicles and used vehicles are eligible.

### PROGRAM STEPS

1. Submit a completed and signed application, along with required documents in order to have incentive processed:
  - Copy of auto sale or lease contract (top portion of contract may be sufficient)
  - Copy of vehicle registration (new vehicle dealer notice temporary identification, typically attached to the windshield, is acceptable if it displays name and address of purchaser/lease)
2. Email or mail completed application, along with required documents, to the following:
  - [Ems.answers@eweb.org](mailto:Ems.answers@eweb.org) (preferred method to process application)
  - EWEB, Attn: Customer Solutions Department, P.O. Box 10148, Eugene, Oregon 97440-2148

### EV CLEAN RIDE REBATE TERMS AND CONDITIONS

**By submitting this EWEB EV Clean Ride Rebate Application, I agree, understand and have met the following terms & conditions:**

1. The EWEB Clean Ride Rebate (“Program”) is intended to assist EWEB customers with paying for clean, electric fuel for a year for most drivers or help offset the costs of EV charging infrastructure(s) installed in EWEB’s service territory. This Program may be modified or terminated by EWEB at any time without prior notice.
2. The vehicle purchased/leased must be DMV registered at a residence with an active meter receiving EWEB electric service. Vehicle must be a four-wheel Battery Electric Vehicle or a Plug-in Hybrid, both with a minimum 16 kilowatt hour battery.
3. Up to 4 qualifying vehicles per residential premise per calendar year.
4. Application must be postmarked within 6 months of the date of purchase/lease to be eligible for incentive. Failure to provide appropriate documentation may result in incentive ineligibility.
5. The incentive payment will go directly to the customer listed on the application above. Payment cannot be assigned or transferred.
6. Applications received by EWEB that do not meet the program criteria will not be considered. EWEB reserves the right to request additional information or documentation to process an application. EWEB is not responsible for documents lost or destroyed in the mail via transit or misdirected applications. Submitted program application and accompanying documents become the property of EWEB.
7. As part of Program acceptance, EWEB may utilize data generated by the use of the EV charging incentive to improve EWEB services, conduct studies, and any other purposes in furtherance of EWEB’s operations. Aggregate participant data may be provided to other entities for research and grant purposes.
8. Implementation and interpretation of the terms and conditions of this program are at the sole discretion of EWEB.
