McKenzie Valley Pump	10	10	10	10	10	Installation cost was higher than anticipated due to being in country with well and filtration systems which had to be adjusted for new hot water heater.
Mike Ediger Plumbing	10	10	10	10	10	He was excellent in every way.

Lowe's contractor	3	9	9	7	4	We had to make them do it twice. Lowe's was great and got us through the process, but I suggested they find another contractor.
Lowe's contractor	10	10	9	9	10	Happy with new water tank. Already see energy saving and cost.

Oldfield's	6	6	5	5	There was a lot of confusion over whether this water heater would pass Eugene's building code. This resulted in buying it, returning it, and buying it back. After the fact, we found out it would have been better not to buy it at Oldfield's but to go with Kevin Cohen directly.
