# Water Construction Project Information Sheet

<b>Project: City Riverfront – 8<sup>th</sup> / Hilyard</b>	
<b>Project Location</b>	<p>8<sup>th</sup> / Hilyard</p>
<b>Project Description</b>	<p>EWEB crews will begin constructing a water main tap on the existing transmission water main near the 8th/Hilyard intersection in preparation of a new transmission water main that will be constructed by an EWEB contractor.</p> <p>This project is part of EWEB’s strategy to improve water system reliability and will provide redundant pumping capability between pump stations.</p>
<b>Impact of Construction Activities</b>	<p>EWEB regular work hours are 7 a.m. to 5 p.m. Monday-Thursday. Contractor regular working hour Monday – Friday.</p> <p>Construction activity will cause temporary traffic delays, with noise, flaggers and lane changes. EWEB will provide advanced notification prior to any planned water service interruptions.</p>
<b>Construction Schedule</b>	<p>This project is scheduled to start in May and will run through August.</p>
<b>Notification</b>	<p>Door hanger notification of planned water service interruption as needed</p>
<b>Project Funding</b>	<p>EWEB water system replacement and renewal projects are funded by EWEB customers as a component of water charges.</p>
