## Project Description
EWEB crews will be extending the water main through Emerald Park. This project is part of EWEB’s strategy to improve our water system and increase water reliability.

## Impact of Construction Activities
Work hours are 7 a.m. to 5 p.m. Monday-Thursday. Construction activity may cause temporary traffic impacts, flaggers and lane changes along with temporary delays and noise. EWEB will provide advanced notification prior to water service interruptions.

## Construction Schedule
This project has been scheduled to start in February and run through March.

## Notification
Door hanger notification of water service interruption as needed.

## Project Funding
EWEB water system replacement and renewal projects are funded by EWEB customers as a component of water charges.
