# Water Construction Project Information Sheet

<b>Project: Willamette St, W 23<sup>rd</sup> Ave to E 28<sup>th</sup> Ave</b>	
<b>Project Location</b>	
<b>Project Description</b>	<p>An EWEB Contractor has constructed the new water main and is now constructing the remaining individual water service connections and fire hydrants. EWEB crews will be completing the disinfection process, water main tie-ins and service transfers following the Contractor construction.</p> <p>This project is part of EWEB's strategy to improve our water system and increase water reliability.</p>
<b>Impact of Construction Activities</b>	<p>Work hours are 7 p.m. to 7 a.m. Monday-Friday for the EWEB Contractor and 7 a.m. to 5 p.m. Monday-Thursday for EWEB crews.</p> <p>Construction activity may cause temporary traffic impacts, flaggers and lane changes along with temporary delays and noise. EWEB will provide advanced notification prior to water service interruptions.</p>
<b>Construction Schedule</b>	Work is scheduled to begin in May and will continue through the end of August.
<b>Notification</b>	Door hanger notification of water service interruption as needed.
<b>Project Funding</b>	EWEB water system replacement and renewal projects are funded by EWEB customers as a component of water charges.
