AGREEMENT TO INDEMNIFY AND HOLD
EUGENE WATER & ELECTRIC BOARD (EWEB) HARMLESS

The owner of real property at _____ (service address)

is listed in Lane County (Oregon) Deeds and Records (RLID) as _____

The undersigned has requested that Eugene Water & Electric Board (EWEB) provide utility services to the Property under one or more of the following circumstances inconsistent with general utility and EWEB practices, including or related to (check one or more of the following and/or describe in detail):

- () Connecting electricity without water (example: a water heater without a water connection could, upon connection of electric service, overheat)
() Connecting water service while indication of water running (example: an existing leak indicated by "running water" may be accelerated upon connection of water service)
() Winterization/De-/Re-Winterization effects upon utility connection/disconnection
() Seasonal water turn-off at customer's request - City of Eugene storm water will continue to be billed
() Other _____

In consideration of EWEB's agreement to provide utility service to the property in any of the above noted or related circumstances, the Owner and/or the undersigned agent take full responsibility to safeguard the property and its contents from the delivery of utility services by EWEB. The undersigned agent, personally and as Owner's agent, hereby agrees to release and hold EWEB harmless and indemnify EWEB from any and all claims of damage resulting from or relating in any way to the provision of utility service at the Property. If EWEB detects the connection of, or consumption without billing responsibility appropriately documented with EWEB, subsequent to this agreement, tamper fees and consumption charges may apply.

The undersigned agent represents and certifies that he or she is authorized by the Owner to enter into this agreement, hold EWEB harmless and to indemnify EWEB on behalf of Owner.
