

Water Construction Project Information Sheet

Project: 20 th – 23 rd Grant St.	
Project Location	
Project Description	This project will be replacing water main and vault. This project is part of EWEB's strategy to improve our water system and increase water reliability.
Impact of Construction Activities	Work hours are 7 a.m. to 5 p.m. Monday-Thursday. Construction activity may cause temporary traffic delays, noise, lane changes and temporary delays. There will be scheduled water outages and construction noise. EWEB will provide advanced notification prior to planned water service interruptions.
Construction Schedule	This project started mid-Sept and the water infrastructure installations should be completed by late - Oct.
Notification	Door hanger notification of water service interruption as needed.
Project Funding	EWEB water system replacement and renewal projects are funded by EWEB customers as a component of water charges.
