

# Water Construction Project Information Sheet

<b>Project:</b> E. 24 <sup>th</sup> – Miami to Agate	
<b>Project Location</b>	
<b>Project Description</b>	<p>This project will be replacing water main and hydrants</p> <p>This project is part of EWEB's strategy to improve our water system and increase water reliability.</p>
<b>Impact of Construction Activities</b>	<p>Work hours are 7 a.m. to 5 p.m. Monday-Thursday.</p> <p>Construction activity may cause temporary traffic delays, noise, lane changes and temporary delays. There will be scheduled water outages and construction noise. EWEB will provide advanced notification prior to planned water service interruptions.</p>
<b>Construction Schedule</b>	<p>This project started mid-Oct and the water infrastructure installations should be completed by end of January. Service transfers &amp; tie-ins will begin in February and should be completed by the first of March. Weather dependent, final paving will be completed by city of Eugene when construction is completed.</p>
<b>Notification</b>	<p>Door hanger notification of water service interruption as needed.</p>
<b>Project Funding</b>	<p>EWEB water system replacement and renewal projects are funded by EWEB customers as a component of water charges.</p>
