### **ACTION REQUESTED:**

Management requests the Board approve a contract with Pacific Excavation, Inc. for concrete removal and replacement services (Group B.) These services are primarily used in the construction of main replacements and improvements. For 2021, approximately \$4 million is budgeted for these type of construction services, this includes approximately \$40,000 in concrete services as part of the overall \$20 million water capital plan. Variances will be managed within the budget process and Board policy.
