

Customer Solutions Toilet Rebate Application

This rebate is only available for listed EPA WaterSense-labeled High Efficiency Toilets (HET) and Ultra-High Efficiency Toilets (UHET)*.

Use EPA WaterSense website below to find qualifying toilet models. **The toilets eligible for this rebate must be installed in the Eugene Water & Electric Board water service area and must have a rating of 1.28 gallons per flush (gpf) or less.** The rebate amount will appear as a credit on your utility bill. Please attach a copy of your receipt indicating brand name and model number. **NOTE: Rental properties will not be issued a bill credit, but instead a check will be mailed to the homeowner.** Bill credit cannot be applied without a receipt. Rebate application must be submitted within six months of the toilet installation.

Is this property a rental? **Please complete and attach a W-9 form.**

Customers installing 4 or more toilets must contact EWEB Customer Solutions for pre-approval.
